INTRODUCTION

Cricket Association of Thailand is committed to developing cricket within the kingdom. In order to do so CAT has adopted a development strategy based on steady progress. Initially this strategy requires the establishment of a strong foundation which shows little results to begin with but will bear fruit later on. For instance, the seeds for Thailand's first ever Women's Cricket team were sown back in 2003, however it was not till 2008 that the general public became aware of the existence of a national Thai women's team. Thailand competed within the first ever ACC Women's Tournament held in Malaysia. The Thai squad had the distinction of being one of the only fully ethnic squads to be partaking within the competition.

In 2009 all the hard work out into the women's cricket initiative started to pay off as Thailand came runners up in the inaugural ACC Women's T20 tournament, losing to Hong Kong by a mere 4 runs in the finals. Also 2009 saw a nearly full ethnic Thailand Boys Under 19 team secure a promotion to the elite dividend The slow and meticulous approach of CAT,

which focus on unearthing and nurturing ethnic cricketers talent

s is finally starting to pay dividends.

Cricket Association of Thailand is committed to the principles established within the mission statement as it thrives to develop cricket in the Kingdom. As such a lot of emphasis has been placed in the strategic development areas such as governance, player development, talent identification, women's cricket, cricket education, competitions and facilities.

This annual report for development period 2008-2009 is meant to provide an overview of the major activities of the Association for the period in question. This report is formatted chronologically starting from January 2009 and ending December 2009. The report highlights three main things; the events hosted by CAT, the events attended by CAT and developmental activities.

JANUARY, 2009

ACC CHALLENGE CUP 2009

CAT started of the year by hosting the ACC Trophy Challenge 2009 in Chiang Mai from the 11th to the 19th of January. Eight senior men's teams took part in what is effectively the Asian Cricket Council's second division. The teams were divided into two groups of 4. Oman, Bhutan, Brunei and Myanmar made up Group A, while Thailand, Maldives, Iran and China made up Group B. Each team played three qualifying matches of 50 overs aside with the top two teams in each group progressing to the semi-finals.

Thailand got off to a great start by defeating rivals Maldives in the opening match and topping their respective group. However Thailand suffered a heartbreaking defeat at the hands of Bhutan in the semis and eventually finished the tournament in 4th position.

BPS INVITATIONAL TOURNAMENT 2009

BPS continued their tradition by hosting the BPS Invitational Tournament this year from Jan 31st to Feb 1st. Three teams took part within the tournament BPS, Khon-Kaen (KK) and an All-star team. In the previous year's KK and All-stars had taken the honors and BPS team was keen on bringing the title home this year. All-star got off to a great start by beating BPS by 9 wickets followed by a win over KK by 4 wickets. The next day BPS got themselves together and beat KK by 77 runs. Reaching the finals, BPS beat All-stars by 2 runs, giving them the title for the first time.

MARCH, 2009

ACC UMPIRES COURSE LEVEL 2

ACC conducted a Level 2 Umpires course for its member countries in Malaysia from the 1st to 7th of March. Two representatives (Warawuth & Surin) from Thailand took part in this 7 day course which was held in Kuala Lumpur.

WOMEN'S CENTRALIZED CAMP

The Thai women's team attended the first of three planned centralized training camps in preparation for the ACC Women's T20 Cup 2009. The camp took place in Chiang Mai from the 24th of March to the 4th of April. This camp was used to shortlist women players whom would continue on to the second and third camps. The camp was overseen by the Women's coach Shan.

DEVELOPMENT MEETING

CAT held its annual Development meeting in Bangkok at the Sports Authority of Thailand building on the 22nd of March. Development staff from all seven provinces attended the meeting, where they were brought up to date with the development activities planned for the year and had the opportunity to make suggestions as to what they think needs to be done to help take cricket development in Thailand to the next level.

APRIL, 2009

WOMEN'S CENTRALIZED CAMP

The second of three training camps for the women was held in Bangkok from the 21st of April to 4th of May. At this camp the players short listed in the first camp took part in intensive cricket skills development activities. The camp was overseen by the Women's coach Shan.

CDWCA, SRI LANKA - FIVE MACH SERIES VS THAILAND

Having gone through two centralized training camps CAT hosted a bilateral one day series in which the Thai Women's National teams squared off against Colombo District Women's Cricket Association in a 5 match series of 30 over cricket. A summary of the series results is provided below.

Match No. 1 - 27th April, 2009 at AIT

CDWCA 64 all out (Chaturika 26, Nanthanit 3 for 13, Nathakan 2 for 6, Nattaya 2 for 3)
Thailand 49 all out (Ratchanee 11 not out, Chaturika 5 for 6, Pooja 2 for 9, Anuradha for 10)
CDWCA win by 15 runs

Match No. 2- 28th April, 2009 at AIT

CDWCA 80 all out (Gayani 19, Sachi 14, Pooja 15, Nathakan 2 for 3, Thanapan 2 for 21)
Thailand 82 for 5 (Nattaya 27 not out, Thanapan 13, Sachi 2 for 15)
Thailand win by 5 wickets

Match No. 3 - 30th April, 2009 at AIT

CDWCA 80 all out (Gayani 24, Nanthanit 3 for 11, Thanapan 2 for 12, Naruemo 2 for 8)
Thailand 67 all out (Thanapan 15, Sachi 3 for 18, Chaturika 2 for 13, Gayani 2 for 13)

Match No. 4- 1st May, 2009 at AIT

CDWCA 78 all out (Ayesha 19, Nanthanit 3 for 10, Naruemo 2 for 16)
Thailand win by 1 run

The Thai women's team performance was good, not allowing the much more experienced and talented CDWCA side reach triple figures. A point to note is that Thailand managed to bowl out their opposition on all five occasions. Batting once again proved to be Thailand's Achilles heel as they were unable to follow up their exceptional bowling and fielding with an equally exceptional batting performance. Going into the final match CDWCA has already clinched the series and with nothing but pride at stake Thailand posted a total of 79 from their allotted thirty over and managed to skittle CDWCA out for 78.
